

# bill > proc > all

# bill > proc > all

**Route:** bill/proc/all

**URL:** https://admin.myslbb.com/#/bill/proc/all

---

## Overview

This page is a draft SOP reference for the above screen in **i2i Core OSS/BSS**. It is auto-generated from UI exports and should be reviewed for operational correctness before customer release.

## When to Use

- Use this screen for the workflow represented by this route.
- Do not make billing/AAA/provisioning-impacting changes without required authorization.

## Typical Workflow

1. Verify you are working on the correct entity (Customer/Account/Service).
2. Review the current lifecycle state before making changes.
3. Apply changes and validate system response.
4. Confirm downstream impact (AAA/Provisioning/Billing) where applicable.

## Field & Action Hints (Auto-detected)

- **Fields detected:** Select Date, Select Billing Area
- **Actions detected:** Auto, Close, Billing, Billing Process, Clear

## Validation & Safety Checks

- Confirm identifiers before saving.
- Confirm lifecycle state allows the change.
- Confirm rollback/support path exists for production actions.

# Escalation Guidance

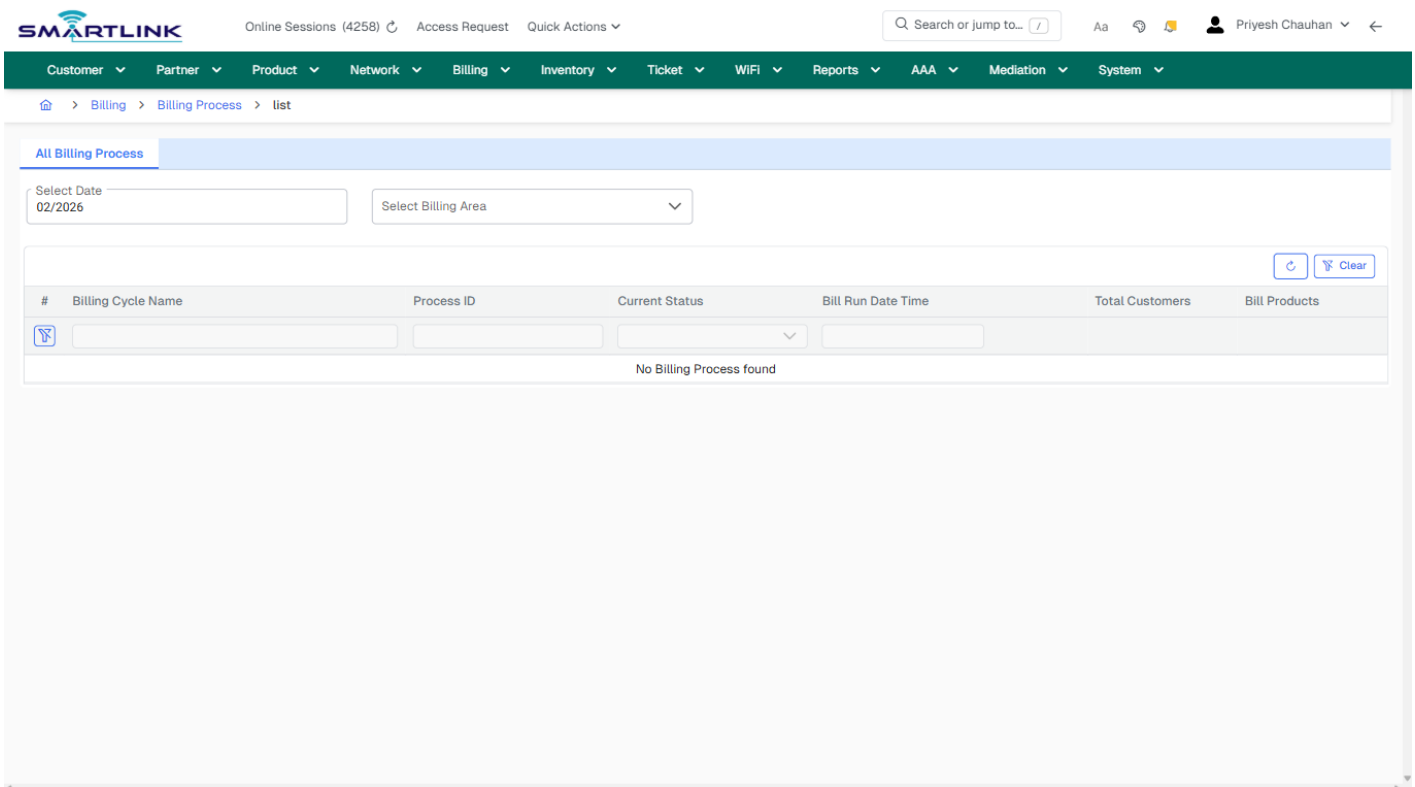

- **L1:** Verify input, permissions, and entity state.
- **L2:** Validate dependencies and downstream state.
- **L3/Admin:** Policy/config changes or suspected defect.

The screenshot shows the SMARTLINK web application interface. At the top, there is a navigation bar with the SMARTLINK logo, user information (Priyesh Chauhan), and a search bar. Below the navigation bar is a menu with various categories like Customer, Partner, Product, Network, Billing, Inventory, Ticket, WiFi, Reports, AAA, Mediation, and System. The main content area is titled "Billing Process" and contains a "list" view. It features a filter section with "Select Date" (02/2026) and "Select Billing Area" dropdowns. Below the filters is a table with columns: #, Billing Cycle Name, Process ID, Current Status, Bill Run Date Time, Total Customers, and Bill Products. The table is currently empty, displaying "No Billing Process found". There are also "Clear" and "Refresh" buttons in the top right of the table area.

This is a duplicate of the screenshot above, showing the same SMARTLINK Billing Process list page. It includes the SMARTLINK logo, user profile (Priyesh Chauhan), search bar, navigation menu, and the main content area with filters and an empty table showing "No Billing Process found".
