

dev > settings > model > add

dev > settings > model > add

Route: dev/settings/model/add

URL: https://admin.myslbb.com/#/dev/settings/model/add

Overview

This page is a draft SOP reference for the above screen in **i2i Core OSS/BSS**. It is auto-generated from UI exports and should be reviewed for operational correctness before customer release.

When to Use

- Use this screen for the workflow represented by this route.
- Do not make billing/AAA/provisioning-impacting changes without required authorization.

Typical Workflow

1. Verify you are working on the correct entity (Customer/Account/Service).
2. Review the current lifecycle state before making changes.
3. Apply changes and validate system response.
4. Confirm downstream impact (AAA/Provisioning/Billing) where applicable.

Field & Action Hints (Auto-detected)

- **Fields detected:** Name *, Description, Model Number *, Model Vendor *, Device Type *, Status *, Select Device Model Image
- **Actions detected:** Auto, Close, Network, Settings, Model, Submit

Validation & Safety Checks

- Confirm identifiers before saving.
- Confirm lifecycle state allows the change.
- Confirm rollback/support path exists for production actions.

Escalation Guidance

- **L1:** Verify input, permissions, and entity state.
- **L2:** Validate dependencies and downstream state.
- **L3/Admin:** Policy/config changes or suspected defect.

The screenshot shows the 'New Device Model' form in the SMARTLINK admin interface. The form is titled 'New Device Model' and has a subtitle 'Create new Device Model'. It is divided into two main sections: 'Model Basic Details' and 'Device Image'.

Model Basic Details:

- Name ***: Text input field with placeholder 'Enter Device Model name'.
- Description**: Text input field with placeholder 'Enter Device Model Description'.
- Model Number ***: Text input field with placeholder 'Enter Model Number'.
- Model Vendor ***: Dropdown menu with placeholder 'Select Device Vendor'.
- Device Type ***: Dropdown menu with placeholder 'Select Device Vendor'.
- Status ***: Dropdown menu with placeholder 'Select Device Status'.

Device Image:

- Select Device Model Image**: A large text input field with a blue button labeled '+ Device Model Image'.

At the bottom right of the form, there are two buttons: 'Close' and 'Submit'.
