

inv > ip > batch > 101 > add

inv > ip > batch > 101 > add

Route: inv/ip/batch/101/add

URL: https://admin.myslbb.com/#/inv/ip/batch/101/add

Overview

This page is a draft SOP reference for the above screen in **i2i Core OSS/BSS**. It is auto-generated from UI exports and should be reviewed for operational correctness before customer release.

When to Use

- Use this screen for the workflow represented by this route.
- Do not make billing/AAA/provisioning-impacting changes without required authorization.

Typical Workflow

1. Verify you are working on the correct entity (Customer/Account/Service).
2. Review the current lifecycle state before making changes.
3. Apply changes and validate system response.
4. Confirm downstream impact (AAA/Provisioning/Billing) where applicable.

Field & Action Hints (Auto-detected)

- **Fields detected:** Name, Description, From (IP address), To (IP address), Trusted Client (Optional), Subnet Mask (Optional), Gateway IP (Optional), IP Type, Association Type
- **Actions detected:** Auto, Close, Inventory, IP Pool, Inventory Batch, Create Batch, Cancel

Validation & Safety Checks

- Confirm identifiers before saving.
- Confirm lifecycle state allows the change.
- Confirm rollback/support path exists for production actions.

Escalation Guidance

- **L1:** Verify input, permissions, and entity state.
- **L2:** Validate dependencies and downstream state.
- **L3/Admin:** Policy/config changes or suspected defect.

The screenshot shows the 'New Batch' form in the SMARTLINK web application. The page title is 'New Batch' with the subtitle 'Create New Inventory Batch'. The breadcrumb navigation is 'Inventory > IP Pool > Inventory Batch > Create'. The form is titled 'Batch Details' and contains the following fields:

- Name (text input)
- Description (text input)
- From (IP address) (text input)
- To (IP address) (text input)
- Trusted Client (Optional) (dropdown menu)
- Subnet Mask (Optional) (text input)
- Gateway IP (Optional) (text input)
- IP Type (dropdown menu)
- Association Type (dropdown menu)

At the bottom right of the form, there are two buttons: 'Create Batch' (blue) and 'Cancel' (orange).
