pro > iptv > category > all

Route: pro/iptv/category/all

URL: https://admin.myslbb.com/#/pro/iptv/category/all

Overview

This page is a draft SOP reference for the above screen in **i2i Core OSS/BSS**. It is auto-generated from UI exports and should be reviewed for operational correctness before customer release.

When to Use

- Use this screen for the workflow represented by this route.
- Do not make billing/AAA/provisioning-impacting changes without required authorization.

Typical Workflow

1. Verify you are working on the correct entity (Customer/Account/Service).
2. Review the current lifecycle state before making changes.
3. Apply changes and validate system response.
4. Confirm downstream impact (AAA/Provisioning/Billing) where applicable.

Field & Action Hints (Auto-detected)

- **Fields detected:** IPTV Platform
- **Actions detected:** Auto, Close, Product, IPTV, Manage Category, Add Category

Validation & Safety Checks

- Confirm identifiers before saving.
- Confirm lifecycle state allows the change.
- Confirm rollback/support path exists for production actions.

Escalation Guidance

- **L1:** Verify input, permissions, and entity state.
- **L2:** Validate dependencies and downstream state.
- **L3/Admin:** Policy/config changes or suspected defect.

The screenshot shows the SMARTLINK web application interface for managing IPTV categories. The top navigation bar includes the SMARTLINK logo, user information (Priyesh Chauhan), and various menu items like Customer, Partner, Product, Network, Billing, Inventory, Ticket, WiFi, Reports, AAA, Mediation, and System. The breadcrumb trail indicates the current location: Product > IPTV > Manage Category > List. The main content area is titled 'Category' and includes a search bar for 'Search By Category Name' and a dropdown menu for 'IPTV Platform'. A table below the search bar is currently empty, displaying 'No Category found'. The table headers are: #, Name, Description, Status, Provision Status, IPTV Platform, Created On, Updated On, and Actions. A pagination control shows '0 - 0 of 0' items.
