pro > iptv > package > add

Route: pro/iptv/package/add

URL: https://admin.myslbb.com/#/pro/iptv/package/add

Overview

This page is a draft SOP reference for the above screen in **i2i Core OSS/BSS**. It is auto-generated from UI exports and should be reviewed for operational correctness before customer release.

When to Use

- Use this screen for the workflow represented by this route.
- Do not make billing/AAA/provisioning-impacting changes without required authorization.

Typical Workflow

1. Verify you are working on the correct entity (Customer/Account/Service).
2. Review the current lifecycle state before making changes.
3. Apply changes and validate system response.
4. Confirm downstream impact (AAA/Provisioning/Billing) where applicable.

Field & Action Hints (Auto-detected)

- **Fields detected:** Package Name, Package Description, Package Status, Package Type, Package Definition Type, Validity Date, Channels, Bouquet Type
- **Actions detected:** Auto, Close, Product, IPTV, Manage Package, Cancel, Create Package

Validation & Safety Checks

- Confirm identifiers before saving.
- Confirm lifecycle state allows the change.
- Confirm rollback/support path exists for production actions.

Escalation Guidance

- **L1:** Verify input, permissions, and entity state.
- **L2:** Validate dependencies and downstream state.
- **L3/Admin:** Policy/config changes or suspected defect.

The screenshot shows the 'New Package' form in the SMARTLINK admin interface. The form is titled 'New Package' and 'Create New Package'. It contains several input fields and dropdown menus:

- Package Name:** A text input field.
- Package Description:** A text input field.
- Package Status:** A dropdown menu with 'Active' selected.
- Package Type:** A dropdown menu.
- Package Definition Type:** A dropdown menu.
- Validity Date:** A date input field.
- Channels:** A dropdown menu.
- Bouquet Type:** A dropdown menu.

At the bottom of the form, there are two buttons: 'Cancel' (orange) and 'Create Package' (blue). The top navigation bar includes the SMARTLINK logo, 'Online Sessions (4251)', 'Access Request', 'Quick Actions', a search bar, and the user profile 'Priyesh Chauhan'.

New Package

Create New Package

<input type="text" value="Package Name"/>	<input type="text" value="Package Description"/>
<input type="text" value="Package Status: Active"/>	<input type="text" value="Package Type"/>
<input type="text" value="Package Definition Type"/>	<input type="text" value="Validity Date"/>
<input type="text" value="Channels"/>	<input type="text" value="Bouquet Type"/>
